

Dear guests,

the time has finally come – we are allowed to welcome you again!

Following we have listed all informations appropriate to the official guidelines in bavaria relating to SARS-CoV-2-virus, which are important for your stay:

GENERAL / IMPORTANT:

- → In all public areas in the hotel persons from 16 years on must please wear medical masks (children from 6 - 15 years only need a normal face mask) ←
- For the protection of our guests and staff we ask you to please observe the minimum distance of 1,5 meters between staff, guests and persons travelling together in all public areas.
- During check-in und check-out or while talking to our reception staff a perspex distance protection ensures your extra security (therefore wearing a face mask for our reception staff is not necessary)
- All employees are briefed in the current hygiene regulations and are provided with self-tests by us

BEFORE ARRIVAL:

- A stay in our hotel is only possible symptom-free or with clean health status. Persons, which had contact to COVID 19-infected persons during the last 14 days and persons with unspecific general symptoms are excluded from the visit of the hotel.
- In case of illness or disease symptoms before arrival we beg you to please cancel your reservation

At the moment we offer you our special booking guarantee: „All bookings can be cancelled free of charge until 6 p.m. on the day of arrival“ (except reservations during exhibition times)

- OBLIGATION TO TEST:

→Please inform you upon arrival about the up-to-date incidence of "Landkreis Fürth"←

At an incidence under 35

- the obligation to test is cancelled

At an incidence over 35

for all guests - irrelevant whether you are a business- or private traveler – the following applies:

- You have to show a certified negative PCR-test (not older than 48h) or a foreign substance test (not older than 24h) at arrival
 - These tests can be replaced by a complete COVID-19 vaccination (completely vaccinated + 14 days after the 2. vaccination) or a certificate of recovery (positive PCR-result, which is at least 28 days and not more than 6 months old)
 - Please make sure, that you are already tested when you arrive at our hotel, because self tests may cause long waiting periods at check-in
 - Children under 6 years and pupils, which are tested regularly at school (also during holidays) and children which are not yet sent to school are exempted to make a test.
 - Furthermore every 72 hours guests* are bound to perform a foreign substance test in a test center (or make a self-test under reception's charge) and show it at reception please
- *Except children under 6 years, pupils, children which are not yet sent to school, fully vaccinated people (+ 14 days after the 2. vaccination) or recovered persons with a positive PCR-results (at least 28 days and not more than 6 months old)

It's basically effective, that the guest is liable to the hotel for his test certificates.

The specific verification documents (vaccination certificate, test result etc.) must be shown at check-in and confirmed by signature.
